This is the End User Licence Agreement (EULA) between *you* (the End User) and *Daria Petrova*.
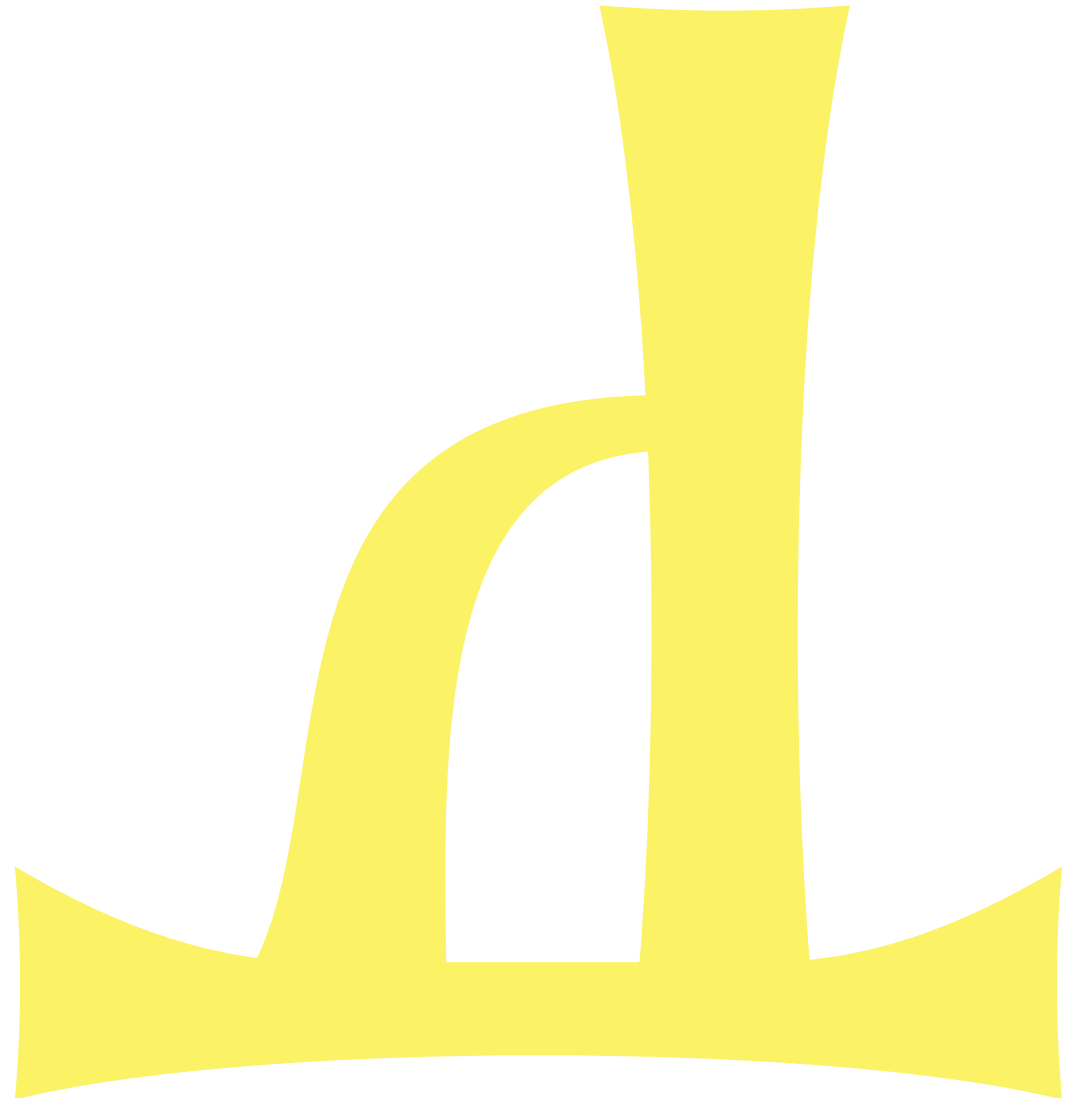

Prior to purchasing, please read this agreement carefully.

You are purchasing not the fonts themselves, but a license for their use. By downloading, installing and/or using the licensed fonts you are agreeing to the terms and conditions of this licence.

Thank you!

Version 0.2
November 2019

petrovada@gmail.com

This document is set using *Rüdiger's Arnold*, which can be purchased at
www.futurefonts.xyz/rudiger/arnold

RESTRICTIONS & PERMISSIONS

The purchase of one license allows you to use the fonts on up to five computers at a single geographic location. For multi-user licenses additional fees are to be paid.

You can use the fonts for creating any printed documents and goods, visual identities or logos, and to create images on any surface. You are permitted to use the fonts in Flash and GIF formats and other kinds of animations and videos.

You may not make, or commission a third party to make, customized versions of the purchased font. Please do not modify, adapt, convert, translate, rename, reverse engineer, decompile, disassemble, alter, or create derivative works of the fonts. Please contact *Daria Petrova* for special wishes regarding the fonts. However, modifications of letters for use in logos and design elements after converting them into outlines are permitted.

You are not allowed to reproduce, sell, transfer, license, give away or otherwise distribute the fonts or any copy thereof in any form.

If you are unsure whether your planned use of the fonts is permitted, please contact *Daria Petrova* at *petrovada@gmail.com*

EMBEDDING

You may embed the fonts in scalable format in electronic documents for delivery to third parties (such as PDF or EPS files), if such documents will only be used for preview or printing.

You must not embed the font in open-source or commercial software, operating systems, electronic devices, games, any kinds of templates, or e-books.

Embedding of font software into documents or internet pages is permitted using any technique, including @font-face, under the following conditions:

→ You must use the web fonts provided in your package. Linking to the full Open-Type font designed for desktop installation is not permitted.
→ The web font may only be installed on website domains that are under the direct control of the licensee.

COPYRIGHT

This font software is copyrighted and contains intellectual property information protected by the laws of the United States of America, by the copyright and design laws of other nations, and by international treaties. Any copyright and other rights belong to the designer.

WARRANTY

This font software is a work in progress and is sold as is. The licensee acknowledges that there may be bugs and/or flaws in the font software. *Daria Petrova* will do her best to communicate its current state at the time of sale, but is not required to fix or address any bugs or flaws in the font software.

Daria Petrova agrees to provide licensees with free updates as the development of the font software progresses. *Daria Petrova* may discontinue work on font software at any time, for any reason. This agreement is bound to the fonts being distributed on the website *www.futurefonts.xyz*

In no event shall *Daria Petrova* be liable to the licensee or to any other person for any resulting incidental or special damages, including any lost profits or lost savings, injury or damage as the result of the use, installation, or communication of the fonts.
